Newton Fund Researcher Links Workshops - Call For Applications

Newton Researcher Links Workshops bring together early-career researchers from the UK and a partner country (Jordan is Eligible) to make international connections that can improve the quality of their research.

The Fund aims to promote the economic development and welfare of either the partner countries or, through working with the partner country, to address the problems of low-income and vulnerable populations. Each proposal must have one Principal Applicant from the UK, as well as a Principal Applicant from Jordan.

Deadline

9 August 2019, 16:00 UK time

Call Link and Details are available at
