

The University of Jordan Smoking Policy

Review date: 2/2022

Introduction

The University of Jordan is committed to promoting a healthy and smoke-free environment in accordance with the Ministry of Higher Education and Scientific Research regulations and public health laws. To safeguard the well-being of all members of our university community, this policy outlines the guidelines and rules regarding smoking within university premises.

Policy Statement

2.1 Smoking Prohibition

Smoking, including the use of traditional cigarettes, e-cigarettes, and any other tobacco or smoking-related products, is strictly prohibited within all University of Jordan buildings and facilities.

2.2 Designated Smoking Areas

To accommodate individuals who wish to smoke, designated smoking areas are available on university grounds.

Implementation and Compliance

3.1 Awareness

The University of Jordan is committed to raising awareness about the hazards of smoking and the importance of adhering to this policy. Educational campaigns will be conducted regularly to inform and educate students, faculty, staff, and visitors about the policy's requirements.

3.2 Enforcement

Enforcement of this policy is the responsibility of all members of the university community. If any individual observes a violation of the smoking policy, they are encouraged to kindly inform the individual involved of the policy and the designated smoking areas. For persistent violations or cases where individuals refuse to comply, security personnel may be notified to ensure compliance with the policy.

3.3 Penalties

Violations of the smoking policy may result in disciplinary actions, as deemed appropriate by the university authorities. Penalties may include warnings, fines, or other measures in accordance with the university's disciplinary procedures.

Support for Smoking Cessation

The University of Jordan recognizes the importance of supporting individuals who wish to quit smoking. Information on smoking cessation programs and resources will be made available to all members of the university community who are seeking assistance in quitting.

Review and Updates

This smoking policy will be reviewed periodically to ensure its effectiveness in maintaining a smoke-free environment. Updates and revisions may be made as necessary to address emerging trends, laws, and regulations related to smoking.

Conclusion

The University of Jordan is dedicated to providing a healthy and smoke-free environment for all its members. This smoking policy reflects our commitment to complying with national regulations and fostering the well-being of the university community. We encourage everyone to cooperate in maintaining a clean and smoke-free campus.
