

CAPACITY BUILDING IN THE FIELD OF YOUTH

objectives of the action

Capacity-building projects are international cooperation projects based on multilateral partnerships between organisations active in the field of youth in Programme and Partner countries. They aim to support the international cooperation and policy dialogue in the field of youth and non-formal learning, as a driver of sustainable socio-economic development and well-being of youth organisations and young people. The action will aim at:

- raising the capacity of organisations working with young people outside formal learning, and promote non-formal learning activities in Partner countries, especially targeting young people.
- support the development of youth work in Partner countries, improving its quality and recognition;
- foster the development, testing and launching of schemes and programmes of non-formal learning mobility in Partner countries;
- contribute to the implementation of the EU Youth Strategy (2019-2027) including the 11 European Youth goals;
- foster cooperation across different regions of the world through joint initiatives;
- enhance synergies and complementarities with formal education systems and/or the labour market;

Thematic areas/ specific objectives

Proposals should focus on one or more of the following thematic areas:

- political participation and dialogue with decision-makers;
- inclusion of young people with fewer opportunities;
- democracy, rule of law and values;
- empowerment / engagement / employability of young people ;
- peace and post-conflict reconciliation;
- environment and climate;
- anti-discrimination and gender equality;
- digital and entrepreneurial skills.

Activities

The activities proposed must be directly linked to the general and specific objectives of the action, i.e. they must correspond to one or more of the thematic areas listed above and they must be detailed in a project description covering the entire implementation period. Finally, in the context of this international worldwide action, project activities must focus on building and strengthening the capacities of youth organisations and young people **principally in the partner countries covered by the action.**

Funded projects will be able to integrate a **wide range of cooperation, exchange, communication and other activities that:**

- contribute to encouraging policy dialogue, cooperation, networking and exchanges of practices;
- promote strategic cooperation between youth organisations on the one hand and public authorities, particularly in eligible Partner Countries;
- promote the cooperation between youth organisations and organisations active in the education and training fields as well as with organisations from the labour market;
- raise the capacities of youth councils, youth platforms and local, regional and national authorities dealing with youth, in particular in eligible Partner Countries;
- enhance the management, governance, innovation capacity, leadership and internationalisation of youth organisations, particularly in eligible Partner Countries
- support the development of information and awareness campaigns, as well as the development of information, communication and media tools;
- help developing youth work methods, tools and materials;
- create new forms of delivering youth work and providing training and support; facilitate non-formal learning mobility.
