

# SOURCE OF FUNDING

Grants.gov

**Dear All,**

Externally Funded Projects Department of International Affairs Unit at The University of Jordan would like to introduce you to [Grants.gov](https://www.Grants.gov) source of funding.

grants.gov is a government initiative focused on improving access to services via the Internet, it is currently the single access point for over 900 grant programs offered by the 26 Federal grant-making agencies, allowing organizations to electronically find and apply for competitive grant opportunities.

The University of Jordan - Externally funded projects department is now successfully registered at this potential source of funding, you can check on a daily basis for the new funding updates posted at "[Search Grants](#)" tab. Once you find an opportunity that matches your interests, please do not hesitate to contact us via the below contact information to provide you with procedure and support throughout your application submission and to create your workspace.

**Sincerely,**

**Externally Funded projects Department  
International Affairs Unit
